Ph. D. Program in Information Engineering – 36° Cycle

Kick-off Meeting
15 October 2020
1. Welcome to DEI!
2. Ph.D. Program organization
3. What to do to start your Ph.D.
4. Learning activity
5. Research activity
6. Presentation of Department Services
Ph. D. Program Websites

- **Main website**
  - [https://phd.dei.unipd.it](https://phd.dei.unipd.it)

- **eLearning website (requires SSO login)**
  - [https://elearning.dei.unipd.it](https://elearning.dei.unipd.it)
  - host for Ph.D. Courses Moodle pages
  - Resources for Ph.D. Students page
    - upload of reports and presentations
    - info on Ph.D. Courses
    - Upload mobility/ext. activity/TA permission requests
Department of Information Engineering (DEI)

- Department director
  - Gaudenzio Meneghesso
  - Giovanni Sparacino (vice-director)
  - Sara Cavinato (secretary)

- Department website
  - www.dei.unipd.it (Italian)
  - www.dei.unipd.it/en (English)

- Opening hours
  - 8:00 – 18:00 (every day including holidays)
  - badge always required
  - restrictions due to COVID-19 emergency
Ph. D. Program Contacts

- Andrea Neviani
  - Coordinator of the Ph. D. Program
  - phdschool.head@dei.unipd.it
  - dirdott@dei.unipd.it

- Giovanni Sparacino
  - Vice-Coordinator of the Ph. D. Program

Board of the Phd Program (Collegio dei docenti)

- 55 members, 8 student representatives
- teaching and research activity programming
- formally **assign each student a supervisor and a study and research plan**
- propose the expulsion of students in case of:
  - unauthorized working activity;
  - unjustified absence for long periods;
  - negative evaluation of the research and learning activity
Students must elect every year eight delegates to represent their issues in the Board

You will be soon contacted by the delegates-in-charge for 2020/21 elections
Executive Board (Consiglio direttivo)

- seven members (including the Coordinator), two student representatives
- annual and intermediate evaluation of students research and learning activities
- authorisation of any activity outside the study and research plan
- long mobility (> 6 months) authorisation
Two different e-mail addresses and network accounts

- University e-mail and SSO credentials
  - e-mail: name.surname@studenti.unipd.it
    - All Ph.D. Program and University official communications will be sent to this address
    - alias: name.surname@phd.unipd.it
  - SSO username: name.surname@studenti.unipd.it
    - used to access University-wide internet services like Eduroam: world-wide university wi-fi network
    - eLearning: Moodle-based platform for courses
Department network and computing facilities

- Department e-mail and account (after completion of the GIGA procedure):
  - your badge will be enabled to access all Department common spaces and a selected number of laboratories
  - **must complete the online safety course** before badge can be enabled
  - follow the COVID-19 compliant **procedure** to access the Department facilities
  - E-mail address and aliases
    - `login@dei.unipd.it`
    - `name.surname@dei.unipd.it`
    - `surname.name@dei.unipd.it`
    - used by the Department for official communications
You can access e-mail through:
- any mail client (using IMAP or POP protocols)
- webmail: https://mail.dei.unipd.it

Change password through
- https://mail.dei.unipd.it/password

DEI account
- the login part of the e-mail login@dei.unipd.it is also the username of your DEI account,
- it is delivered to you on a paper document when you complete the GIGA procedure
- username: login
- enables the access to the Department network and computing facilities

- If you have troubles, send me an e-mail
Ph.D. Student Ethics

- Adhere to the University [Code of Conduct](#)
- Honesty is the foundation of good academic work
  - Whether you are working on a problem set, project report, paper or your thesis, avoid plagiarism, cheating, or facilitating academic dishonesty
Your duties as a Ph.D. Student

- **Research project**
  - produce original results and publish them

- **Coursework requirements**
  - to be completed by the end of the 2nd year

- **Annual evaluation**
  - submit reports and presentations

- **Follow the procedures**
  - permission requests (mobility, teaching, external activity)
  - interaction with Dept. personnel and services
Ph.D. Program
How to get started

- Find a potential **Supervisor**
  - and one Co-Supervisor, if needed
- Prepare a **study and research plan**
  - discuss it with your Supervisor
- Fill in the **SRP form** and upload it
  - Find the **SRP form** and the link to upload it on the PhD Program web site
  - Upload both the filled doc file and the scanned pdf copy of the signed form
  - Deadline: **November 5th, 2020**
(almost) Everything you need to know about the Study Plan is reported in the Ph. D. Program Course Catalogue

- Find it on the Ph.D. Program website
- Read it carefully
- Suggestion: take more courses and seminars than the minimum required
- First course starts on November 2nd.
Learning activity classification

- **Courses**
  - Final exam or equivalent form of verification
  - Courses give credits
  - Requirement 1: earn at least 20 credits

- **Seminars, Distinguished Lectures (DL)**
  - No exam
  - No credits
  - Requirement 2: attend a selection of seminars proposed by the PhD Board and all DL’s
 Requirement 1 (Courses)
  - at least 10 credits within the first year
  - at least 20 credits within the second year
  - Additional constraints based on the course category

- Report your choice of courses in the SRP form
External Courses

- Courses from other Ph.D. Program catalogues
  - MUST include a final exam with grading
- Seasonal PhD Schools approved by the Executive board
  - list available on the website
  - to add entries to the list:
    - submit to the Executive Board a written request signed by your Supervisor
    - Schools MUST include a final exam with grading
Requirement 2 (Seminars & C.)

- **Seminars**
  - Attend the seminars organized by the PhD Program

- **DEI Distinguished Lecturer Series**
  - Attend all offered in the three-year program

- **PhD Week on Transferable Skills 2021**
  - Take at least two modules

- **DO NOT** insert seminars & C. in the SRP form
  - Use the Certificate of Attendance (next page)
Certificate of attendance

- Required for external courses, seminars, distinguished lectures
- Download it from the website
- Have it signed by the instructor or by a member of the Executive Board attending the event
- Upload certificates together with annual reports
- Define the topic of your Ph.D. Thesis with your Supervisor
- Report a summary of the planned research activity in the SRP form
- Start working!
Main Deadlines

First year
- Written report on 1st year activity
- deadline: August 31st

Second year
- Written report on 2nd year activity
- Presentation of the year activity to an internal Committee
- deadline: August 31st

Third year
- Written report on the three-year activity
- Presentation of the thesis draft to an internal Committee
- deadline: August 31st
Ph. D. Program – Research Activity

Thesis

- (hard) deadline: Sept. 30th, 2023
- Ph. D. Board decides whether or not to admit the thesis to the external evaluation phase
- thesis sent to two external reviewers
- possible review outcomes:
  - no/minor revisions ⇒ final examination Jan.-Mar. 2024
  - major revisions ⇒ up to six additional months to modify the thesis accordingly, then final examination in Oct. – Nov. 2024
You are expected to produce original results that advance the state of the art

Demonstrated by publications on peer-reviewed journals or conference proceedings

**Minimum: 2 publications on journals/conference**

- At least one paper accepted by a journal/conference indexed by WoS/Scopus by the deadline for the 2nd year report
- At least an additional paper accepted by a journal/conference indexed by WoS/Scopus by the deadline for the 3rd year report
**Long-term mobility (abroad)**

- Long stay (up to a total of 18 months) at research institutions abroad is encouraged.
- 50% increase of salary for $\geq 20$ days mobility.
- Must be authorized by the Ph. D. Executive Board.
  - Find a suitable host university/research institution.
  - Prepare (with the help of your supervisor) a convincing research plan.
Support for your research

- facilities/laboratories (Supervisor)
- funding
  - Ph.D. Student funds:
    - 1500 EUR available in the second year
    - 1500 EUR (plus leftover from second year) in the third year
  - Ph. D. Program (**subject to changes depending on Program budget**):
