Ph. D. Program in Information Engineering – 37° Cycle

Kick-off Meeting
13 October 2021
1. Welcome to DEI!
2. Ph.D. Program organization
3. What to do to start your Ph.D.
4. Learning activity
5. Research activity
6. Presentation of Department Services
Main website
- https://phd.dei.unipd.it

eLearning website (requires SSO login)
- https://elearning.dei.unipd.it
- host for Ph.D. Courses Moodle pages
- Resources for Ph.D. Students page
  - Enrollment key: PhD-Inf37
  - Upload of reports and presentations
  - Enrollment in Ph.D. Courses
  - Upload mobility/ext. activity/TA permission requests
1. Ph.D. Program contacts
2. Ph.D. Program organs
3. Ph.D. Program websites
4. Summary of Ph.D. Student duties
5. Study plan
6. Research activity: reports and presentations
7. Research activity: thesis
8. Research activity: budget
9. Procedures: mobility permission request
10. Procedures: external activity permission request
11. Procedures: teaching assistantship/tutoring permission request
12. Presentation of Department Services
13. Department network and computing facilities
Department of Information Engineering (DEI)

- Department director
  - Gaudenzio Meneghesso
  - Giovanni Sparacino (vice-director)
  - Sara Cavinato, Massimiliano Settin (secretary)

- Department website
  - www.dei.unipd.it (Italian)
  - www.dei.unipd.it/en (English)

- Opening hours
  - 7:30 – 21:00 (working days)
  - badge always required
  - restrictions due to COVID-19 emergency
Ph. D. Program Contacts

- Andrea Neviani
  - Coordinator of the Ph. D. Program
  - phdschool.head@dei.unipd.it
  - dirdott@dei.unipd.it

- Giovanni Sparacino
  - Vice-Coordinator of the Ph. D. Program

- Sara Borgato

  - phdschool@dei.unipd.it
  - corso.dottorato@dei.unipd.it
Academic Board of the Phd Program (Collegio dei docenti)

- 62 members, 10 student representatives
- teaching and research activity programming
- formally assign each student a supervisor and a study and research plan

- propose the expulsion of students in case of:
  - unauthorized working activity;
  - unjustified absence for long periods;
  - negative evaluation of the research and learning activity
Students must elect every year their delegates to represent their issues in the Academic Board
- 10 representatives for the 37° cycle

You will be soon contacted by the delegates-in-charge for 2021/22 elections
Executive Board (*Consiglio direttivo*)

- seven members (including the Coordinator), two student representatives
- annual and intermediate evaluation of students research and learning activities
- authorisation of any activity outside the study and research plan
- long mobility (> 6 months) authorisation
Two different e-mail addresses and network accounts

- **University e-mail and SSO credentials**
  - e-mail: `name.surname@studenti.unipd.it`
    - All Ph.D. Program and University official communications will be sent to this address
    - alias: `name.surname@phd.unipd.it`
  - SSO username: `name.surname@studenti.unipd.it`
    - used to access University-wide internet services like
      - **Eduroam**: world-wide university wi-fi network
      - **eLearning**: Moodle-based platform for courses
Department network and computing facilities

- Department e-mail and account (after completion of the GIGA procedure):
  - your badge will be enabled to access all Department common spaces and a selected number of laboratories
  - must complete the online safety course before badge can be enabled
  - follow the COVID-19 compliant procedure to access the Department facilities
  - E-mail address and aliases
    - login@dei.unipd.it
    - name.surname@dei.unipd.it
    - surname.name@dei.unipd.it
    - used by the Department for official communications
Department network and computing facilities

- You can access e-mail through:
  - any mail client (using IMAP or POP protocols)
  - webmail: https://mail.dei.unipd.it

- Change password through
  - https://mail.dei.unipd.it/password

- DEI account
  - the login part of the e-mail login@dei.unipd.it is also the username of your DEI account,
  - it is delivered to you on a paper document when you complete the GIGA procedure
  - username: login
  - enables the access to the Department network and computing facilities

Adhere to the University Code of Conduct

Honesty is the foundation of good academic work

- Whether you are working on a problem set, project report, paper or your thesis, avoid plagiarism, cheating, or facilitating academic dishonesty
Your duties as a Ph.D. Student

- **Research project**
  - produce original results and publish them

- **Coursework requirements**
  - to be completed by the end of the 2nd year

- **Annual evaluation**
  - submit reports and presentations

- **Follow the procedures**
  - permission requests (mobility, teaching, external activity)
  - interaction with Dept. personnel and services
Find a potential **Supervisor**
- and one Co-Supervisor, if needed

Prepare a **study and research plan (SRP)**
- discuss it with your Supervisor

Fill in the **SRP form** and upload it
- Find the [SRP form](#) and the link to upload it on the PhD Program web site
- Upload both the filled doc file and the scanned pdf copy of the signed form
- Deadline: **November 5th, 2021**
(almost) Everything you need to know about the Study Plan is reported in the Ph. D. Program Course Catalogue

- Find it on the Ph.D. Program website
- Read it carefully
- Suggestion: take more courses and seminars than the minimum required
- First course starts on November 9th.
Learning activity classification

- **Courses**
  - Final exam or equivalent form of verification

- Report your choice of courses in the SRP form
External Courses

- Courses from other Ph.D. Program catalogues
  - MUST include a final exam with grading
- Seasonal PhD Schools approved by the Executive board
  - list available on the website
  - to add entries to the list:
    - submit to the Executive Board a written request signed by your Supervisor
    - Schools MUST include a final exam with grading
Requirement 2 (Seminars & C.)

- **Seminars**
  - Attend the seminars organized by the PhD Program

- **DEI Distinguished Lecturer Series**
  - Attend all offered in the three-year program

- **PhD Week on Transferable Skills 2022**
  - Take at least two modules

- **DO NOT** insert seminars & C. in the SRP form
  - Use the Certificate of Attendance (next page)
Certificate of attendance

- Required for external courses, seminars, distinguished lectures
- Download it from the website
- Have it signed by the instructor or by a member of the Executive Board attending the event
- Upload certificates together with annual reports
Define the topic of your Ph.D. Thesis with your Supervisor

Report a summary of the planned research activity in the SRP form

Start working!
Main Deadlines

First year
- Written report on 1st year activity
- Deadline: August 31st

Second year
- Written report on 2nd year activity
- Presentation of the year activity to an internal Committee
- Deadline: August 31st

Third year
- Written report on the three-year activity
- Presentation of the thesis draft to an internal Committee
- Deadline: August 31st
Ph. D. Program – Research Activity

- **Thesis**
  - (hard) deadline: Sept. 30th, 2024
  - Ph. D. Board decides whether or not to admit the thesis to the external evaluation phase
  - thesis sent to two external reviewers
  - possible review outcomes:
