University of Padova
PhD Program in Information Engineering
Call for the assignment of further PhD scholarships on external funds, PNRR and PRIN for the academic year 2023/24 - XXXIX cycle - Candidate Interview calendar

The candidate is requested to prepare a **10-minute presentation** to introduce himself/herself, to explain the motivations to pursue a PhD in Information Engineering, and to discuss the main features of a possible research project on one of the topics of the PhD School (https://www.dei.unipd.it/en/research/research-areas) .

The Admission Committee will then discuss with the candidate the details of his/her academic titles, curriculum and research project, and will assess if the candidate masters the methodological tools needed to carry on the project. The interview may be taken in Italian or English language, at the candidate choice.

Interviews' scheduling refers to the Central European Time (CET). Please, make sure to show up at the exam room or to connect at the Zoom link designated below at least 10 minutes before the scheduled time.

The interviews will take place at the following locations and times:
